# Harness the power of your mind

## Discover your true potential

### And help others in transforming their lives

#### **Should you attend this course?**

Are you seeking to;

- ✓ Advance your career (either part time or full time) by working in your own professional Hypnosis private practice
- ✓ Integrate hypnotism into your existing helping profession
- ✓ Have a desire for self-improvement and Life Success?

Then this dynamic course is designed just for you! Our curriculum is designed and supported by the National Guild of Hypnotists, the world's largest and oldest hypnotist organization.

#### **What will you receive?**

Dawn and Drew understand that it is just not enough to teach you the master skills of Hypnosis. To be truly effective in today's market place, you must know how to get your business up, running and profitable as quick as possible. This is why training with Dawn and Drew significantly increases your results; your income, your time, and the freedom lifestyle that being an entrepreneur can bring.

Upon successful completion and graduation from this course you will possess all the tools needed to immediately begin your Hypnosis career, including but not limited to; private sessions with clients, group demonstrations, workshops and much more!

#### **But wait, there's a Bonus-**

Dawn and Drew understand the importance of support to a new business owner. Learning how to; discover your worth-ask for it-and get it, time management, when to hire an assistant, how to market, using social media, and so much more. This can be overwhelming for you. So as part of your Certification Training, you receive a FREE Year of Additional Training through their membership only association; Next Level Up Association (NLUA).
